

Endometriosis Symptom Checklist

It's important to discuss your symptoms with your GP.
We've developed a questionnaire for you to take with you.

Name

Tick the appropriate box for each symptom

	YES	NO
Painful periods	<input type="checkbox"/>	<input type="checkbox"/>
Heavy bleeding during your period and/or passing clots	<input type="checkbox"/>	<input type="checkbox"/>

If you experience any of the above symptoms, you may benefit from a GP referral to Dr Lanziz Homar. The TOAG team provides compassionate and tailored care to women of all ages.

For your Doctor

This questionnaire is intended as a guide only. If in your professional opinion, you think the patient would benefit from seeing a gynaecologist, refer via online form, fax or Medical-Objects and we'll take care of the rest.
